Tom Richter Since 1998, Tom Richter has emerged as a nationally known speaker. Senior pastor of New Hope Christian Church in Queens, NYC, Tom has a love for people and for the Lord that translates into genuine, fresh messages that both challenge and encourage. Tom is a sought after speaker who accepts a limited number of invitations each year. Tom served for three summers as Camp Pastor for Centrifuge reaching over 20,000 students, we are extremely privileged and excited to have Tom accept our D-Now.

December Radio Few bands more effectively fuse music and ministry than this Virginia-based foursome. Eric along with lead vocalist/bassist Josh, lead guitarist Brian and drummer Boone burst onto the national scene with their debut in 2006. The project was nominated for a GRAMMY for Best Rock Album and earned the group four Dove Award nominations, including the Best New Artist category and Song of the Year. That night the band claimed their first Dove Award for Rock Album of the Year.
